

I want to be part of the new Missional Church Consultation Initiative (MCCI) Teams!

PRAYER – *God, thank you for breaking through into our lives and into your church. Thank you for stirring our hearts to make an impact for Christ's Kingdom. Guide us and empower us to be a church family that reaches new people and makes new disciples of Jesus Christ. Amen.*

_____ Children, Youth, Family Ministries Action Team

This team wants all children, youth, and families to experience the love of Christ. This group will learn ways to effectively reach, connect, and disciple the next generation of children, youth, and their parents who live in the community surrounding Asbury – and beyond. This group will be guided by a coach.

_____ Connections Team

This team has a deep desire that every guest at Asbury is warmly welcomed, begins to feel connected, and is encouraged to return. This group will work with a coach to develop a consistent process.

_____ Signage Team

This team cares about easing the anxiety of first-time guests by assuring that Asbury provides clear signage outside and inside the building. This group will review, update, replace and/or add sharp, professional signage.

_____ Outside Curb Appeal Team

This team realizes that generally you only have one chance to make a first impression. The appearance of our buildings and grounds reflect our readiness for guests. This group will give special attention to first impressions before a person walks through the doors.

_____ Visual Identity Team

This team recognizes the value of creating “branding” that offers a distinct, recognizable identity for the church. This group will work with a coach with graphic design skills to help create a new logo for an updated first impression.

_____ Web Communication Team

This team realizes that often in today’s world the first visit to a church is a visit to the church’s webpage. This group will help our website to be user-friendly and helpful for newcomers.

_____ Worship Enhancement Team

This team realizes that vital worship connects people with God – and one another – in powerful, life-changing ways. This group will evaluate every aspect of our Sunday services and align all aspects so that they are exciting and inspiring worship experiences in Christ’s name. A coach will provide guidance.

_____ New Worship Possibilities Team

This team recognizes the value of vital worship and would love to provide meaningful worship to neighbors around Asbury – 80% of which are not active in worship. This group will explore options for creating a new worship that would appeal to a new target demographic in the area.

_____ Laura Wilder Signature Ministry Vision Team

This team wants every child to know the love, kindness, and compassion of Jesus that can transform lives. This group will unite the congregation to make an impact in our community by serving teachers, staff, students, and families at Laura Wilder Elementary.

Breakthrough Prayer Teams

These teams realize that prayer is the foundation for God to do more than we could ask or imagine. These groups will find creative ways to continue to pray for God’s Spirit to breakthrough as we work on the MCCI prescriptions. A Pray Team will be formed around each of the prescriptions:

_____ Empowering Our Church Family:
Leadership

_____ Preparing to Welcome Others into Our Church Family.

_____ Worship for Our Church Family – and Beyond

_____ Enlarging the Impact of Our Family
